

BONALDO

Filly too, Filly up too

Designer: Bartoli Design

Available in three different sizes and in variants with low backrest (Filly too) or high backrest (Filly up too), it is a stool that can meet the needs of functionality and comfort even of the most demanding people. In the version upholstered entirely in fabric, leather, eco-leather or emery leather, it shows a more understated face; instead, it reveals a more dynamic look in the variant with the original metal legs visible. The Filly collection, in addition to the stool, is expressed also in the following versions, for a

functional and aesthetically consistent result: chair with a low backrest (Filly), with a higher backrest for increased comfort (Filly up) with a wider and more generous seat (Filly large), with a high backrest and large seat (Filly large up), or with armrests (Miss Filly and Miss Filly up). In this way, it is possible choose the model that best suits individual needs without giving up the unmistakable style of Filly.
